# INFORMATION

---

Buh is crocheted from the top down. This means you will start with the head and continue into the body. The rounds will not be completed with a slip stitch as you will crochet in a spiral.

You can benefit from shifting the decreases and the increases, so that these will not be placed directly above each other in every round. This will give you a nicer result.

The finished Buh will be about 12-13 cm high if made with hook 2,5 mm.

---

## MATERIALS

---

- 25 grams of green cotton yarn
- 5 grams of white cotton yarn
- 5 grams of black cotton yarn
- A little bit of red cotton yarn
- Pillow stuffing

The grams are with yarn that runs 160 meter in a skein of 50 grams.

For this yarn I use a 2,5 mm hook, so that the stuffing will not show.

Use the recommended hook for your yarn.

Keep in mind to have more yarn if the yarn you use is thicker.

---

## ABBREVIATIONS

---

- 0 = Round
- (...) = Total number stitches when the round is complete
- [...] = Repeat x times
- Sc = Single crochet
- Ch = Chain
- Inc = Increase / 2 stitches in 1
- Dec = Decrease / 2 masker to 1

---

## HISTORY

---

Buh is a true comfort-monster.

He loves spaghetti, sun shine, hugs and playing.

Buh has come from the inner core of the earth to comfort children.

That is what he does best!
